DIRECTOR'S MESSAGE

Founded in 1861, the National Gallery of Victoria is the oldest and most visited public art museum in Australia. Our mission is to ensure the NGV maintains its role as a vibrant and essential community asset, providing visitors with meaningful cultural experiences.

The NGV Collection is at the heart of all our activities. This internationally recognized collection, comprising over 75,000 works of art, belongs to the community and has grown over more than 150 years thanks to the generosity of countless visionary individuals.

Philanthropy remains vital to our success and through this support we can strategically develop the Collection, facilitate the delivery of engaging programs for visitors of all ages and abilities as well as present exciting and diverse exhibitions.

You can play an important role in the continued development of the NGV. I invite you to join our family of supporters by making an annual tax deductible donation to an area of our work that most interests you. Together we can enrich our community today and well into the future.

THE NGV COLLECTION

The NGV is responsible for the development and preservation of Australia's largest encyclopaedic collection of art, ranging from the art of ancient civilisations to the present day.

The Gallery possesses Australia's oldest Asian art collection. Our historical collection of European art also rivals that of many of our northern hemisphere counterparts. The Gallery is also the custodian of the leading collection of Australian Indigenous art in the world. The NGV's contemporary art and design collection is continually developing with new acquisitions and commissions, offering insight into who we are today and who we aspire to be.

By supporting the NGV Collection, you will enable the acquisition of important works of historical and contemporary art from Australia and internationally. Your contribution will also ensure that the Gallery can develop areas currently underrepresented and commission works from today's artists.

“I LOVE KNOWING THAT MY ANNUAL GIFT GOES DIRECTLY TO DEVELOPING AND SHOWCASING THE NGV COLLECTION.”

CONSERVATION

Caring for the NGV Collection is essential to ensuring that our treasures can be enjoyed well into the future.

The NGV's world-class conservation team is dedicated to the care and longevity of works of art in all media, including fashion and textiles, photography, frames and sculpture.

Conservation projects range in scale from large to small including the restoration of Tiepolo's iconic *The Banquet of Cleopatra*, 1743–44, to Emil Todt's exceptionally fragile sculpture of the Victorian Gold Rush, *The gold diggers*, 1854.

Your support will enable this vital work to continue and will provide crucial funds towards key conservation projects, the acquisition and maintenance of analytical equipment as well as enable experimental research to develop more effective and efficient preservation programs.

“FROM PRESERVATION TO RESTORATION, THE NGV’S CONSERVATION TEAM ENSURES THAT THE COLLECTION WILL CONTINUE TO INSPIRE OUR VISITORS FOR GENERATIONS TO COME.”

Michael Varcoe-Cocks, Head of Conservation

AUDIENCE ENGAGEMENT

The NGV is a social space for the community to experience and engage with art and design. Audience engagement at the NGV plays an essential role in deepening and broadening our visitor's experiences of the Gallery and attracting new visitors.

The NGV has dedicated programs for children and teens, presenting young visitors with diverse opportunities to come together, have fun and explore their creativity.

NGV Education programs are designed to educate through art and design, promoting visual literacy, higher order thinking and communication skills. Programs are developed and presented by experienced educators in-line with the Victorian Education Curriculum.

Your contribution to this area will assist the NGV to deliver programs to disadvantaged schools, marginalised communities, aged care groups and the next generation of creative thinkers.

“MOST OF OUR STUDENTS WOULD NEVER HAVE HAD THE OPPORTUNITY OF SEEING ARTWORK IN REAL LIFE IF IT WASN'T FOR THIS AMAZING PROGRAM.”

Cristina Galercan, Art Teacher

EXHIBITIONS

The NGV presents an average of 40 exhibitions each year including major international blockbusters and collection displays. The NGV brings works of art from around Australia and the world, showcasing defining artists, periods and collections. The Melbourne Winter Masterpieces series has attracted over four million visitors to date and over summer, the NGV presents the best of contemporary art and design.

Collection displays celebrate works of art from the NGV's own vast holdings. These exhibitions draw on the rich diversity of art collected by the Gallery for over 150 years and the resulting research contributes to global scholarship.

Philanthropic support is directed toward all aspects of an exhibition from artwork logistics, new commissions, accompanying publications, public programs and access initiatives.

THE NGV FOUNDATION

All donations to the NGV are acknowledged through the NGV Foundation, which was established to celebrate generous acts of benefaction which have made the Gallery the much-loved cultural institution it is today.

Each year the NGV Foundation involves donors in a calendar of events and engagement opportunities, which places supporters at the forefront of Gallery activities and initiatives.

Donors who give \$20,000 or more are acknowledged as members of the NGV Foundation. To honour this support, Foundation members are recognised by name at locations across both NGV sites, the NGV website and in NGV Annual Reports.

The NGV Foundation also recognises gifted works of art which are eligible to attract a tax deduction under the Federal Government's Cultural Gifts Program.

“THE NGV’S POSITION AS ONE OF THE WORLD’S LEADING GALLERIES IS DUE TO THE GENEROUS SUPPORT OF OUR MANY DONORS.”
