### WHAT IS ART PARTY LIKE?

The event is NGV Teens' most exciting night of the year with over 1000 teens dancing under the iconic stained-glass ceiling of the Great Hall all night.

Art Party is a chance for teens to experience art, music and a social event with their peers in a welcoming environment.

At the event, you can explore the NGV *Yayoi Kusama* exhibition, attend an expert lead exhibition tour, meet new people in friendship speed dating sessions, get creative in a drop-by making workshop and enjoy live DJ sets when you hit the dance floor.

When you arrive, you will see screens displaying the evening's schedule. The schedule is also available on the website if you would like to plan your night in advance.
